

## SRPS 2021-22

Circular No. 09

Date 22.10.2021

Dear Students,

School is going to initiate a drive to spread awareness about banning plastic bags from society. In this unique drive we request you to collect as much plastic bags as possible from your homes/offices etc. and send with your ward. We will dispose it off properly.

The target is to collect minimum 100Kg of plastic bags collaboratively by 27th October 2021.

As charity belongs from home, each student is requested to do their bit by just collecting a minimum of 1Kg of plastic polythene etc. and collaborate with us. Kindly send single use plastic waste with your ward by 25 Oct. 2021.

Let us join hands and make our society plastic bags free.

Principal
