Abacus Competition

PARENT'S VIEWS

Mr. Jitendra Singh ★★★★★

Children are perfected in both academics and activities, and there is also an ATL Lab where the child can innovate anything he wants, with support from NITI Ayog. Our son Aryan worked hard on his idea and won national and international awards.

Mr. Dinesh Kasera ★★★★★

Day by day my child has progressed very well in SRPS. The school focuses on the overall personality development of the child.

Be One Step Ahead With SRPS !!
