Our vision is to provide children friendly environment in which they can develop both physically and mentally and reach their highest development potential. We believe in taking child centric approach in which parents can rely on us for development of their child without any worries.

MISSION

Hakuna Matata is a Play Group School Venture from **InNeevEduventures**. It is **India's 1st Playschool Chain** setup and managed by a team of three young Edupreneurs from the Educational City – Kota.

This team of academicians envisioned a school that present an education system based on their collective 15 years of academic experience in India and Abroad.

Hakuna Matata is a **NCERT framed ECCE (Early Childhood and Care Education)** based play school concept credited with revolutionizing the concept of early childhood education by pioneering a vibrant and child-friendly system of learning.

We at Hakuna Matata take cares of all these aspects of modern world, but at the same time also kept in mind the **Indian values**. Entire learning and development at the age level of 2 to 6 is the key for the whole life, **at Hakuna Matata we encourage the young brains to explore the real work with all curiosity and creativity.**

AIM OF HM

HM follows NCERT ECE's (Early Childhood Education) concept amalgamated with Montessori Method. Early Childhood Care (ECE) an indispensable foundation for lifelong learning and development, and has critical impact on success at the primary stage of education.

The guiding principles of our curriculum are:

- Play as the basis of learning.
- Art as the basis of education.
- Recognition of the special features of children's thinking.
- Primacy of experience rather than expertise.
- Experience of familiarity and challenge in everyday routines Mix of formal and informal interaction.
- Blend of the textual (basic literacy and numeracy) and the cultural.
- Use of local materials, arts, and knowledge.
- Developmentally appropriate practice, flexibility, and plurality.
- Health, well-being, and healthy habits

After extensive research our in-house designed curriculum helps child to learn without any worries.

SALIENT FEATURES

SMART CLASSROOM

Smart classroom learning help the students of all classes practice the principle of "seeing is believing" in any subject with help of multimedia and animations, making learning easier.

INFRASTRUCTURE

SRPS campus spawns in a lush green area of 10000 sq meter. We have large and airy classrooms for proper activities of students. Apart from this SRPS has 2 grounds and a separate area for our little toddlers to play.

SRPS
campus

PLAY AREA

Separate play area is developed for our Simba's --for physical and recreational growth. Sand area, trampoline, lush green garden, jungle gym and slides installed specially for them.

ART ROOM

Art room is a space for students to express and create. Students are trained in drawing, painting, clay modeling, and craft work. It is here that students hone their aesthetic sense and foster a love for art and creativity.

SWIMMING POOL

Swimming pool can be heaven for children on a hot summer day. It offers recreational benefits as well as exercise and relaxation. Our little simbas have a gala time in swimming pool with the proper supervision of our teachers.

ACTIVITY ROOM

The indoor activity room comprises of soft toys, games, air filled jumper and a caring environment for the little delicate ones.

YOGA AND INDIAN VALUES

After the prayer at assembly we have shloka and mantra recitations and discussions on our cultural values. We train students to perform surya namaskar properly and encourage them to practice regularly for their well-being.

DANCE & MUSIC CLASSES

Dance and music classes per week helps them to grow physically and emotionally

NUTRITION GUIDELINES

Proper nutrition charts are provided to the parents according to the present weather conditions so that a proper nutritive diet is maintained for children.

PARENTS COUNSELLING

Parent workshops and counselling sessions are organized with the help of experts to guide them about parenting and how to deal with peculiar situation with children.

TIMING

Days: Monday to Saturday, 8:45 AM to 12:30 PM ; Second Saturday of each month is off unless specified.

VISION

With increasing realization of the importance of Early Childhood Care and Education (ECCE) on the parts of Parents, there is need of state-of-the-art play based schools where their child can develop in a stress free environment. Our mission, thus, is to provide such developmental environment in which children may reach their maximum potential.

ABOUT US

The Word Hakuna Matata means "No Worries". The playschool is based on the story of young cub, **Simba** who was taught life lessons by **Timon&Pumba** in a worry free environment. So our students are called Simbas and teachers are called Timon/Pumba. **The aim of the HM is to ignite a spark into every child to get into a self-learning creative way of learning.**
